👤 PROFESSIONAL SUMMARY

Technical Recruiter with 3 years of experience in enterprise technology hiring and full lifecycle recruitment across Infrastructure, Cloud, Cybersecurity, Data Science, AI/ML, and Software Engineering. Experienced in partnering with hiring managers to build talent acquisition strategies, develop high-quality talent pipelines, and proactively source passive candidates using market research, talent mapping, LinkedIn Recruiter, SAP SuccessFactors, Boolean Search, and X-Ray Search. Skilled in candidate assessment, stakeholder management, and delivering exceptional candidate experiences through data-informed recruiting practices. Certified Naukri Maestro Recruiter committed to strategic hiring and continuous learning.

👛 PROFESSIONAL EXPERIENCE

Technical Recruiter, YASH Technologies

Oct 2025 – Present | Indore

- Partner with hiring managers to define hiring strategies and build **high-quality talent pipelines** for enterprise technology roles.
- Manage **full lifecycle recruitment** across permanent hiring and staffing engagements for Infrastructure, Cloud, Cybersecurity, Data Science, and Enterprise Technology positions.
- Proactively source **passive candidates** through talent mapping, Boolean Search, X-Ray Search, LinkedIn Recruiter, SAP SuccessFactors, and market research.
- Conduct **candidate assessments** to evaluate technical skills, communication, and role fit while ensuring an exceptional candidate experience.
- Collaborate with hiring managers to coordinate interviews, maintain candidate engagement, and support timely hiring decisions.
- Delivered the **first successful hire** for an enterprise infrastructure hiring initiative, supporting project ramp-up for a strategic business programme.
- Support offer management by discussing compensation, addressing candidate queries, and coordinating onboarding activities.

IT Recruiter, Emorphis Technologies

Jul 2024 – Oct 2025 | Indore

- Partnered with hiring managers to understand technical hiring requirements, align recruitment strategies, and build **qualified talent pipelines** across Software Engineering, Cloud, Infrastructure, Data Engineering, AI/ML, and Emerging Technology domains.
- Managed **full lifecycle recruitment** for contract and permanent hiring, including candidate sourcing, screening, interview coordination, offer coordination, onboarding, and employee lifecycle support.
- Proactively sourced and engaged **passive candidates** through LinkedIn Recruiter, Naukri, Hiris, Boolean Search, X-Ray Search, ATS platforms, and talent mapping techniques to support niche technology hiring.
- Conducted **candidate assessments** by evaluating technical competencies, project experience, communication skills, and overall role fit while maintaining a high-quality candidate experience.
- Collaborated with hiring managers to coordinate interviews, maintain candidate engagement, and deliver quality talent.
- Supported **offer and onboarding** activities by coordinating discussions, addressing candidate queries, and ensuring a smooth transition.

Technical Recruiter, NMS Consultant

Jul 2023 – Jul 2024 | Indore

- Partnered with clients to understand hiring requirements and deliver qualified talent across Technology, Pharmaceutical, Automation, and EMS industries.

- Managed recruitment lifecycle activities including sourcing, screening, interview coordination, and candidate follow-ups.
- Proactively sourced candidates through LinkedIn, Naukri, Indeed, internal databases, and strategic sourcing techniques to build qualified talent pools for diverse hiring requirements.
- Conducted candidate screening and assessments before presenting shortlisted candidates to clients.
- Coordinated interviews, tracked recruitment progress, and maintained candidate engagement through joining.
- Managed recruitment documentation and reporting using Microsoft Excel and Google Sheets.
